### **What are the typical responsibilities of a Tire Technician?**

Tire Technicians at Goodyear are responsible for mounting, balancing, and repairing tires on various vehicles. This includes inspecting tires for damage, using specialized equipment, and ensuring customer safety. They may also perform other light mechanical services.

### **What qualifications are needed for a Sales Representative role?**

While specific requirements may vary, a strong background in sales, excellent communication skills, and a proven track record of meeting targets are typically desired. Experience in the automotive or tire industry is a plus.

## **What does a career path look like in Manufacturing at Goodyear?**

Goodyear offers various career paths within manufacturing, starting from entry-level production roles to supervisory and engineering positions. We encourage continuous learning and provide opportunities for advancement based on performance and skill development.

## **Does Goodyear offer tuition reimbursement or assistance for continuing education?**

Yes, Goodyear offers tuition reimbursement for eligible employees who pursue continuing education related to their current or future roles within the company

## **Can I apply for multiple positions at Goodyear?**

Yes! You are welcome to apply for multiple positions that match your qualifications. We encourage you to carefully review the job descriptions and apply for the roles that align most closely with your skills and experience.

## **After Offer**

### **What should I expect after the offer letter is signed and submitted?**

Once your offer letter is submitted, you will receive a confirmation email and instructions to schedule any required physicals depending on the position or drug screening.

### **I completed all of my Pre-employment tasks and it is taking a long time, what should I do?**

There are a few factors that can cause pre-employment delays. Frequent relocations can significantly delay court proceedings by complicating the process of obtaining necessary documents. The presence of uncontested violations on a driver's record can hinder the timely acquisition of DMV records, potentially leading to court delays. Ensure to check email communication from HireRight frequently in case a task needs to be completed. If you need more help or assistance during the pre-employment process, contact 888-990-4473 to speak with a HireRight representative.

### **How do I unsubscribe?**

From the (**goodyear.greatjob.net**), you will go to **My Account** in the top right corner and select **My Profile**. Once the page loads, scroll down to the **Privacy** settings at the bottom and uncheck, the three options below:
